**Overview of Admission Arrangements for Consultation**

Summary of the proposed changes to the Admissions Policy for The Roselands & Stafford Federation and the Cavendish Education Trust that includes the Cavendish School

The proposed changes are to be made to the over-subscription criteria: -

- **To add new criteria – Children of Staff (now criteria 2)**  
Children of the Cavendish Education Trust at the school where the member of staff is the legal parent / guardian of that child.

## **Cavendish School | Stafford Junior School | Roselands Infants School**

Staff will include all those who are permanently employed directly by the school. Staff will need to be employed for 2 years or more at the time when the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

- **To amend criteria 3 – over to Siblings criteria**

To include linked infant / junior school applications applicable to Roselands & Stafford Federation only.

This addition to the current criteria moves the sibling criteria for the linked infant / junior school applications higher up the list. This is opposed to the original criteria on the previous Admissions Arrangements set out by ESCC.

- **To add new criteria 6** – applicable to Roselands & Stafford Federation only. Children wishing to transfer between the linked infant and junior schools.
- **To replace criteria 3 with criteria 7** – Children living within the pre-defined community area.
- **To replace criteria 5 with criteria 8** – Children living outside the pre-defined community area.

### **Summary of Consultation**

#### **Why does The Roselands & Stafford Federation wish to make these changes?**

Both the Cavendish School and the Roselands & Stafford Federation are now members of the Cavendish Education Trust (CET). This will mean that all schools as members of the CET will have the same policies including the Admission Arrangements.
