

Roselands Infant School Pupil Premium Strategy 2021-2024

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of Intent

Our intent and ambition for our curriculum is that it is designed to be generally in line with the requirements of the National Curriculum and that pupil progress, including the most disadvantaged, is strong, so that results for the school are consistently above national averages in all phases for key performance measures.

The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers. We will consider the challenges faced by vulnerable pupils, such as those who have a social worker and young carers. The activity we have outlined in this statement is also intended to support their needs, regardless of whether they are disadvantaged or not.

Our pupil premium strategy is closely integrated with the School Priority Plan which aims to address key improvement priorities including those related to catch-up.

High-quality teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school/ Implicit in the intended outcomes detailed below, is the intention that non-disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.

Our approach will be responsive to the common challenges we have identified and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage. The approaches we have adopted complement each other to help pupils excel.

To ensure they are effective we will:

- ensure disadvantaged pupils are challenged in the work that they're set
- act early to intervene at the point need is identified
- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve.

Challenges

This details the Key Challenges to achievement that we have identified among our disadvantaged pupils. Linked to the School Priority Plan.

| Challenge number | Detail of challenge |
|------------------|--|
| 1 | <p>Attainment focusing on Writing and Maths:</p> <p>Using our internal data (2020-21) we can see there is an attainment gap between our disadvantaged and non-disadvantaged pupils in Reading, Writing and Maths.</p> <p>In 2019 92% of non disadvantaged EYFS pupils achieved a Good Level of Development compared with 57% of disadvantaged pupils. (No 2021 Data)</p> <p>73% of Year 2 non disadvantaged pupils overall achieved Expected for writing in 2019 compared with 63.6% of disadvantaged pupils. (No 2021 data)</p> <p>83% of Year 2 non disadvantaged pupils overall achieved Expected for maths in 2019 compared with 80% of disadvantaged pupils. (No 2021 data)</p> <p>Our analysis of 2021 outcomes, although not published nationally, show a similar gap.</p> |
| 2 | <p>Reading</p> <p>An analysis of fluency reading ages, in Key Stage 1 and 2, shows that there is a gap between disadvantaged and non-disadvantaged pupils. This will have an impact on pupils' ability to access the whole curriculum.</p> <p>In Year 1 46% of disadvantaged pupils are one year or more below their chronological reading age.</p> <p>In Year 2 50% of disadvantaged pupils are one year or more below their chronological reading age.</p> |
| 3 | <p>Attendance -</p> <p>Historically the attendance of disadvantaged pupils is below that of non-disadvantaged pupils and this links with the lower overall attainment of our disadvantaged pupils.</p> <p>Our 2018-2019 overall attendance was 95% compared to 92% for our disadvantaged pupils.</p> |
| 4 | <p>Curriculum -</p> <p>Design and develop the curriculum with a focus on scaffolding the learning for disadvantaged pupils to ensure they improve their knowledge, skills, fluency and independence. Ensure the curriculum is coherently planned and identifies what pupils must know and be able to do at defined endpoints.</p> |

| | |
|----------|---|
| 5 | <p>Aspirations-</p> <p>Observations and pupil voice show that a key factor underpinning low attendance and academic underperformance is low aspirations linked to an unclear understanding of the opportunities available as next steps amongst some disadvantaged pupils.</p> |
|----------|---|

Intended Outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved. Note that 2019 data is used as this is nationally benchmarked.

| Intended Outcome | Challenge number(s) addressed | Success Criteria | Target date | 2019 National Benchmark |
|---|-------------------------------|---|-------------|---|
| EYFS - to improve Good Level of Development (GLD) | 1 & 2 | Disadvantaged pupils to achieve at least national average - GLD | July 2024 | 72% |
| Year 2 - To improve outcomes for Reading, writing and maths. | 3 & 5 | To achieve at least National average for English and Maths | July 2024 | 76% Reading 69% Writing 76% Maths |
| To improve attendance. | 3 & 5 | Attendance to be above National Average | July 2024 | 96% |
| To ensure we have an ambitious broad and balanced curriculum for disadvantaged pupils | 4 | Disadvantaged pupils are accessing a wide range of extra curricular opportunities | July 2024 | N/A |
| Fixed Term Exclusions reduced | 3 & 5 | FT rate to be below national for all pupils | July 2024 | 5.36% |

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.
