

Year 1 Progression in Geography

Locational Knowledge	Map skills	Place Knowledge / Comparison	Human / Physical Geography
<ul style="list-style-type: none"> Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage 	<ul style="list-style-type: none"> Use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right] to describe the location of features and routes on a map Use basic geographical vocabulary to refer to: <ul style="list-style-type: none"> key physical features, including: beach, cliff, coast, forest, hill, sea, river key human features, including: city, town, house, office, shop 	<ul style="list-style-type: none"> Identify seasonal and daily weather patterns in the United Kingdom and the location of hot areas of the world Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country 	<ul style="list-style-type: none"> Identify seasonal and daily weather patterns in the United Kingdom
<p>UK countries, capitals and seas</p> <ul style="list-style-type: none"> I know that the UK is made of 4 countries (<i>England, Scotland, Wales, Northern Ireland</i>) I know the names and locations of the capital cities in the UK I know the names and locations of the UK's main seas (<i>English Channel, North Sea, Irish Sea, Atlantic Ocean</i>) 	<p>Eastbourne</p> <ul style="list-style-type: none"> I know I know the landmarks and basic physical features of Eastbourne and its location on a map of the UK I know the 4 compass points 	<p>Hot and cold places</p> <ul style="list-style-type: none"> I know that there are differences between UK weather and the weather in other countries I know the features of hot and cold places in the world 	<p>Weather and seasons</p> <ul style="list-style-type: none"> I know that there are 4 seasons and that summer is the hottest seasons and winter is the coolest season in the UK I know weather symbols for common weather in the UK
<p>UK countries, capitals and seas</p> <ul style="list-style-type: none"> <i>I will know that directions can be given using compass points or directional language</i> <i>I will know the name and location of the 4 countries of the United Kingdom and their capital cities on a map of the UK</i> 	<p>Eastbourne</p> <ul style="list-style-type: none"> <i>I will know where Eastbourne is located on a map</i> <i>I will know the 4 simple compass points</i> <i>I will know the landmarks and basic physical features of Eastbourne</i> 	<p>Hot and cold places</p> <ul style="list-style-type: none"> <i>I will know that weather differs in different parts of the world</i> <i>I will know the equator divides the world into North and South</i> <i>I will know there are Polar regions in the world</i> 	<p>Weather and seasons</p> <ul style="list-style-type: none"> <i>I will know that the United Kingdom has 4 seasons in a year</i> <i>I will know the key features of the season of Spring</i> <i>I will know the key features of the season of Summer</i>

- *I will know the name and location of the seas that surround the United Kingdom*

- *I will know the differences between a town and a village*
- *I will know the landmarks and basic physical features of our school by using aerial photos*
- *I will know the location of our school on a simple map of Eastbourne*

- *I will know the differences between the North and South Pole*
- *I will know what it is like to live on the South Pole*
- *I will know there are arid regions in the world*
- *I will know what the weather is like in Kenya*
- *I will know the main differences between the weather in London and the weather in Kenya*

- *I will know the key features of the season of Autumn*
- *I will know the key features of the season of Winter*
- *I will know the different types of weather we see in the United Kingdom*
